Welcome

Ludo Jaud

President of AXSTG, the organisation committee

Ladies and gentlemen,

Welcome to the Vendée for the latest edition of the FIA Off-Road European Championship!

AXSTG, supported by its 650 volunteers, is particularly delighted to welcome you to the Bouvreau circuit for the 6th round of the 2026 European Championship.

After a year's absence from the European calendar, we are thrilled to welcome back this spectacular motorsport event. This major event will bring together the best drivers from across Europe at the Bouvreau circuit, promising an exceptional spectacle of speed, skill, commitment, and passion. This is sure to thrill enthusiasts and newcomers alike.

Our French delegation will be well represented once again, and we hope to share some truly memorable moments with you, to the sound of the Marseillaise celebrating our drivers' achievements.

To ensure the best possible welcome for all event stakeholders, we have developed and improved our facilities. As soon as you arrive on site, you will notice several new features. Our circuit has also undergone significant upgrades, including the addition of a substantial amount of soil added across the entire track to improve its quality and performance. Finally, as part of its environmental initiative, the Bouvreau site is planting twenty additional trees in the paddock area.

Whether you're a motorsport enthusiast or someone who simply loves a thrill, we hope you enjoy this European event to the fullest in a warm, friendly, and festive atmosphere.

We'd like to extend our warmest thanks to our partners, institutions, volunteers, drivers, and teams as well as you, our dear spectators. Your presence helps to make this event a true celebration of motorsports.

We wish you a fantastic weekend of racing at our Saint-Georges-de-Montaigu circuit in the Vendée!!!

Sportingly yours,

Ludo Jaud, L'AXSTG and its 650 volunteers

Welcome

Alain Leboeuf
President of the Vendée Department

The Department, the leading partner for sport in the Vendée, is proud to support the organisation of the European Autocross Championships every year – an event that is attracting ever-increasing numbers of visitors and raising the profile of the Vendée far beyond its borders.

These European Autocross Championships are a major, popular, sporting and friendly event, drawing a large family-friendly crowd that gathers in their thousands around the circuit to cheer on the top-level drivers, who are true artists of their craft.

The Vendée, a region renowned for hosting major events, has the know-how to organise these competitions in its very DNA, thanks to the unfailing commitment of hundreds of volunteers. Thanks to them, the event has grown over the past 54 years; today it attracts the best European drivers, and its trophy is coveted by many drivers.

Welcome to the Vendée and best of luck to everyone in the competition!

Alain LEBOEUF,
President of the Vendée Department

Welcome

Antoine CHEREAU
President of Terre de Montaigu

TERRES DE MONTAIGU

As is the case every summer, local residents, families and enthusiasts from across the region will be gathering on 18 and 19 July at the Bouvreau circuit to enjoy the 2026 Autocross event. This will be a special edition, as it marks the return of the European Championship to Saint-Georges-de-Montaigu, following the outstanding hosting of the French Championship in 2025.

A huge thank you to Ludovic Jaud, the organisers and the volunteers who, year after year, rise to the challenge of organising a top-class competition. With over 60 races and 10,000 spectators expected, this 2026 event promises two days of thrilling action, enjoyed by all enthusiasts in the best possible conditions.

With a wealth of internationally renowned sporting events, Terres de Montaigu is extremely proud to be a long-standing partner of Autocross. Hosting a European round means showcasing our region far beyond its borders and offering the public a level of competition that is truly exceptional.

We wish everyone the best of luck in the competition!

Antoine CHEREAU,
President of Terre de Montaigu

Welcome

Florent LIMOUZIN
Mayor of Montaigu-Vendée

This summer, the Saint-Georges-de-Montaigu Autocross returns to the continental stage: on 18 and 19 July, the Bouvreau circuit will once again host a round of the European Championship. Following a brief return to national-level competition in 2025, more than 130 drivers from fifteen nations are returning to take on our track, much to the delight of thrill-seekers.

For nearly fifty years, Autocross has been part of the history of Saint-Georges and our entire region. From a local race, it has evolved over the decades into a European event, without losing any of its grassroots spirit. This loyalty, passed down from generation to generation, commands respect.

A huge thank you to Ludovic Jaud, the organisers and all the volunteers who make this spectacle possible, as well as to all the partners, both public and private, whose support is indispensable. Montaigu-Vendée is proud to remain a steadfast supporter of the Autocross, ensuring it continues to be both a great community celebration and a top-level sporting event.

Here's to a fantastic 2026 event for everyone!

Florent LIMOUZIN
Mayor of Montaigu-Vendée

A little history

54 years

Established in Montaigu-Vendée since 1972, our event has evolved and developed over the years.

In conjunction with Asa Vendée Océan, we are delighted to be able to offer our public a show that's unique in our region.

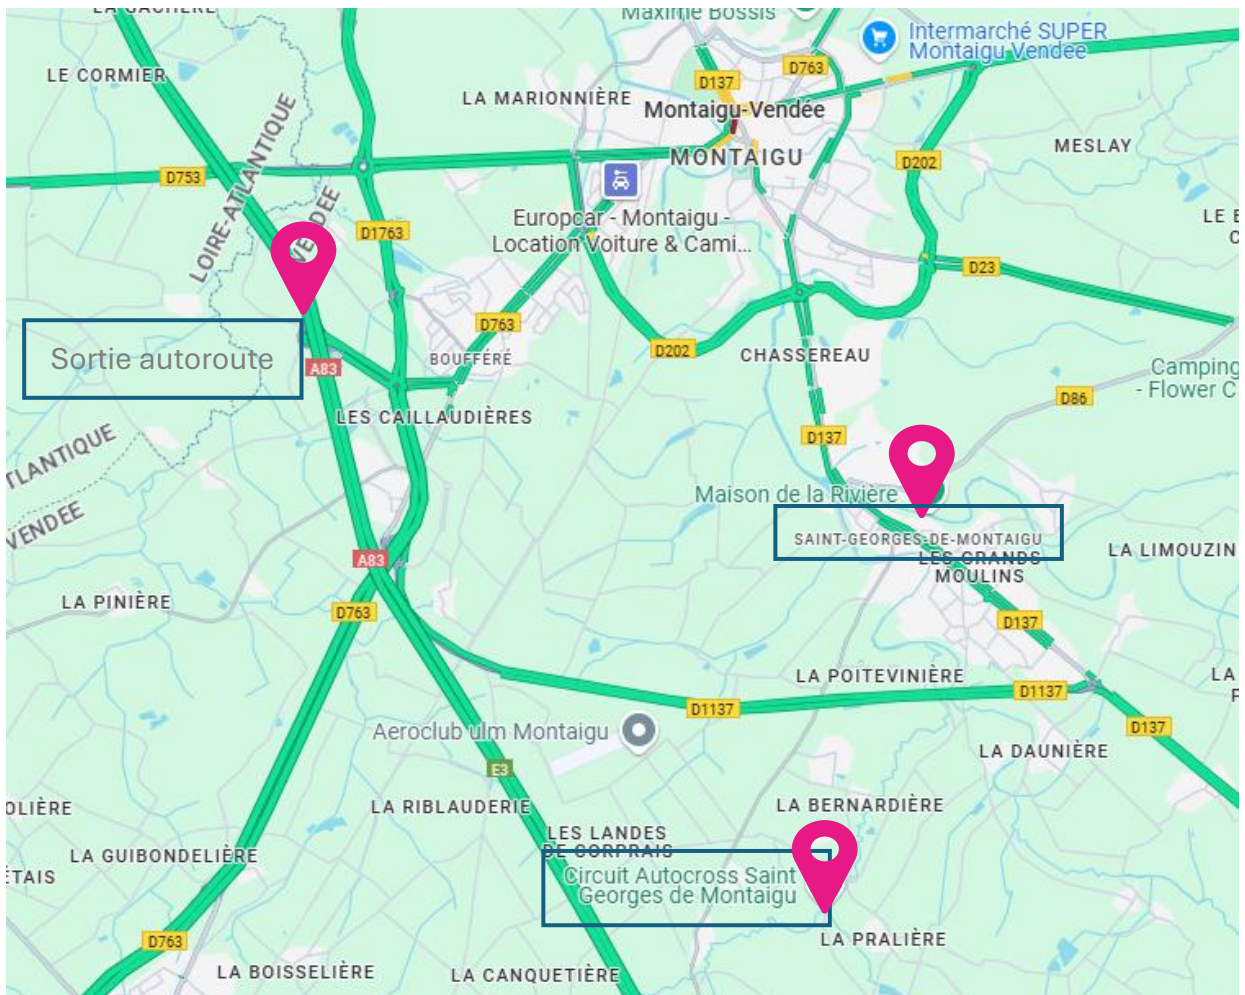

How to get to the event

CIRCUIT DU BOUVREAU – SAINT GEORGES DE MONTAIGU
